The Slimbridge Dowsing Group will collect and use your personal data in compliance with the (GDPR) General Data Protection Regulation and all relevant UK legislation. Our legal basis for holding and processing your data is our legitimate interest and needs as a dowsing group. The committee will use this data for running the group and recording its membership, providing you the member with information and communications.

This information will be recorded in our membership file, which is stored in computer form in compliance with the GDPR.

Your personal data is not passed on or sold by us to any third parties. Full information about our data use policies, including how you can see what data we hold about you, how you can limit its use and how you can ask for any inaccuracies to be corrected, is available from the SDG committee.

If you have not been a member of the Slimbridge Dowsing Group before, you will be allocated a membership number by the committee. You will receive an email or notification of the membership number.

The data we need to hold as a dowsing group club is the following minimum: -

Forename and Surname\*

Full postal address

Landline and/or Mobile phone number(s)#

Email address@

It would be helpful if you would let us know what your dowsing specialities are so we can inform you of any events relative to your skill set, or any requests for help that the group may receive.

We will not normally request or need age/DoB information, or any financial information.

\* If your surname is common, and even more if it is allied with a common forename, it would be helpful to have any middle name initials to avoid identification difficulties.

# Both would be very useful, one is useful.

@ email addresses are almost essential for communication purposes. We would prefer that each individual member has their own unique email address, but members of the same household may share an email address.
